R. N. VASUDEVA,

Chief Secretary to Government of Mysore.

Issues clarification of Amendment to Rule 7 of Appendix IV to the Mysore Civil Services Rules re. calculation of rent.

CIRCULAR

No. FD 83 SRS 68, BANGALORE, DATED 30TH DECEMBER 1968

A reference is invited to the amendment issued to Rule 7 of Appendix IV to the Mysore Civil Services Rules in Notification No. FD 33 SRS 68, dated 27th July 1968 published in the Gazette dated 15th August 1968 in which the term "salary" has been redefined for the purpose of calculating rent charged for any building occupied by a Government Servant. Enquiries are being received from many Heads of Departments as to whether dearness allowance is to be reckoned as 'salary' for the purpose of recovering rent. It is hereby clarified that the revised rule 7 (b) (iii) of Mysore Civil Services Rules excludes only those compensatory allowances clearly mentioned therein for determining the "salary" for purposes of calculation of rent and therefore other compensatory allowances like Dearness Allowance, City Compensatory Allowance are to be reckoned as emoluments coming within the term "salary" for the purpose of the rule. The Heads of Departments are requested to issue instructions to their subordinates to see that the rent of buildings occupied by Government Servants are recovered with effect from 27th July 1968 as per the definition of "salary" as amended in Notification referred to above and as clarified in this Circular.

N. S. BHARATH,

Deputy Secretary to Government,
Finance Department.
